Weekly Action for God
By Pastor David Tinker

Faith in Action is our faithful response to the goodness and sacrifice of God in Jesus Christ for the forgiveness of our sin. We give of ourselves because God has first given himself for us in Jesus. God gives and we live out a life of action for the glory of God. There are many ways we can live sacrificially for God's glory in our lives today, but I want to focus on one very important action. Worship of God is a powerful expression of Faith in Action.

Since the earliest days of the Disciples and the early Church people have worshiped the Lord. In fact, it actually goes back thousands of years before the time of Jesus. Worship of God has always been an action of significance by God's people for the honor and glory of God. Humanity, once encountered by God and his goodness, heard the message that the Lord is God and we are not, that we have sinned and God forgives. So, we worship.

Worship is very much an action. Our gatherings on the weekends are not a time to watch a performance. Rather, we are working together to celebrate and to give thanks to God for all he has done for us and the world. The word, "Liturgy," (our worship service) means, "the work of the people." We take joyful action because God has first acted for us.

Here are some things we clearly do as actions of worship each weekend:

- *We actually show up at the church building.
- *We stand up in praise and honor of the Lord Jesus Christ.
- *We "own up" and take responsibility for our sin. Then we humbly confess to the Lord our need for forgiveness.
- *We pray the liturgy – "The Lord be with you – and also with you". We do this with boldness and with strong voices.
- *We pay attention to God's Word for us, and we strive to live faithfully in response to it.
- *We pray to God and for others.
- *We sing to honor God and to recognize in ourselves that God is God and we are not.
- *We reach out to others to offer care, encouragement and fellowship as we share the peace.
- *We speak the Creeds to take a stand in the world for God the Father, Son and Holy Spirit.
- *We sacrificially give of the resources which God has entrusted to us.
- *We step up to receive the Holy Communion. In this we humbly recognize our need for God's forgiveness of sin and we boldly thank God for his action for us.
- *We recommit to God each time we eat the Body and drink the Blood of Jesus in, with and under the bread and wine of Holy Communion.
- *We leave our gathering, stirred by the Holy Spirit, to take action for the benefit of others and for the love of God.

God has been very good to us. Let us, by God's grace, respond with faithful action at worship each weekend.

ELCA Update

Following a vote of the MLLC Council on April 9, and a meeting with Bishop Rinehart on April 16, the following two meetings have been scheduled. These are based on standard ELCA congregation constitutional procedures.

*As a member church of the ELCA we must follow the most up to date specifications of the Model Constitution for Congregations, even though our congregational constitution has not been properly updated to the current required provisions. That model constitution is found at this link: <https://www.elca.org/About/Churchwide/Office-of-the-Secretary/Constitutions>

Consultation with Bishop Michael Rinehart

Monday, June 3, 6 p.m.

All members of MLLC are invited to this meeting with our bishop. It is an opportunity to share, listen, ask questions, and to seek guidance. This is different from the open forums with our bishop and the representatives of the various other Lutheran denominational organizations.

This is a fulfillment of the model constitution, Section C6.05.a which reads:

*a. A resolution indicating the intent to terminate its relationship must be adopted at two legally called and conducted special meetings of this congregation by a two-thirds vote of the voting members present at each meeting. **The first such meeting may be held no sooner than 30 days after written notice of the meeting is received by the bishop of the synod, during which time this congregation shall consult with the bishop and the bishop's designees, if any. The times and manner of the consultation shall be determined by the bishop in consultation with the Congregation Council.*** Unless the bishop and/or the bishop's designees are voting members of this congregation, they shall have voice but not vote at the first meeting.

Vote on Possible Termination of our Relationship with the ELCA

Sunday, June 23, after the 10 a.m. worship service.

This is a vote on whether or not the congregation wants to continue our membership in the Evangelical Lutheran Church in America (ELCA). This is the first of potentially two votes on this issue.

*If the vote on June 23 shows at least 66.7% (2/3) of the qualified voters present voting to terminate our relationship with the ELCA, then there could be a second vote. Per the constitution (Section C6.05 c), which reads: *c. If the resolution was adopted by a two-thirds vote of the voting members present at the first meeting, the bishop of the synod and this congregation shall continue in consultation, as specified in paragraph a. above, during a period of at least 90 days after receipt by the bishop of the attestation and certification as specified in paragraph b. above.*

This potential second vote would be after a 90-day waiting/consultation period which would include an additional consultation meeting with our bishop. If, after the consultation with our bishop, there is a desire to hold the final vote to terminate our relationship with the ELCA, then a 2nd vote will be held at a yet to be determined date. This vote also must also achieve at least a 66.7% (2/3) vote affirming the choice to terminate our relationship with the ELCA. This second vote, if held, would also include the congregation's choice of which Lutheran church organization we would have for a new affiliation. If the 2nd vote passes, then the congregation is immediately no longer a congregation of the ELCA, and it has then joined the new group. That is why the new affiliation is included in the vote. If the 2nd vote is scheduled, then the congregational leaders must initiate appropriate connections with the other Lutheran organization of choice in preparation for a potential transfer. The ones we have met with for consideration of affiliation are:

Lutheran Churches in Mission for Christ (LCMC)
North American Lutheran Church (NALC),
and Lutheran Church – Missouri Synod (LC-MS).

As of this writing, no choice has been made by the congregational leadership. If the 2nd vote does not pass with at least 66.7% (2/3), then the resolution is ended. We continue ministry as a congregation of the ELCA.

*If the 1st vote does not show a 66.7% (2/3) of those voting affirming the choice of terminating our relationship with the ELCA, the resolution does not pass, and thus, no second vote. We continue ministry as a congregation of the ELCA.

*If the congregation passes both votes as required by the constitution, including the choice to join another Lutheran Church organization, such as LCMC, NALC, LC-MS, then all church property continues with the congregation as it affiliates with the new Lutheran Church organization. If either vote does not pass, then the property stays with the congregation as it continues ministry in the ELCA. Note: not having a church affiliation with another Lutheran Church organization at the time of the vote could lead to notable complications regarding the ownership of church property.

*Qualified Voters is specifically noted in the constitution. The church council will follow constitutional rules regarding who is allowed to vote at a congregational meeting.

We look to C8.02.c: Voting members are confirmed members. Such confirmed members, during the current or preceding calendar year, shall have communed in this congregation and shall have made a contribution of record to this congregation. Members of this congregation who have satisfied these basic standards shall have the privilege of voice and vote at every regular and special meeting of this congregation as well as the other rights and privileges ascribed to voting members by the provisions of this constitution and its bylaws. They shall not have voted as a seasonal member of another congregation of this church in the previous two calendar months.

This means that for congregational meetings qualified voters are those confirmed members of MLLC who have participated in Holy Communion at MLLC and have made a financial contribution to MLLC (as shown on congregational records for both communion and financial giving) in the current year (example - 2024) or the previous year (example - 2023). Based on how we record communion and contributions in the church office each week on Monday, these acts of participation would need to be completed at least a week prior to any congregational meeting. For the vote on June 23, we will have a list of qualified voters at the meeting. Only qualified voters will receive a ballot. Just showing up on the day without a contribution and a communion in the stated period will not qualify a voter. To show your participation in communion, remember to complete and turn in a communion card to an usher or the offering plate. To show your participation in financial giving, make sure you use an offering envelope with your name on it. Both the communion cards and offering envelopes are available in the pew racks at every worship service.

Summer Camp 2024 at Lutherhill

Younger youth

It is the tradition of our Crossroads Shared Ministry Churches – Carmine, Waldeck, Round Top, and Shelby – to encourage the younger youth (ending grade 6 and younger) to attend Lutherhill together. This has traditionally been the final week of camp. In 2024, that week is Week 8 – July 28 – August 2. If this week doesn't work for your family, see the Lutherhill web site for more dates. The web site for registration is: Lutherhill.org Look for any week noting: Alpha, Youngn, Yearling, as relates to your youth's age group:

ALPHA | Completed 1st or 2nd Grade (3 Night Stay)

YOUNGN | Completed 2nd or 3rd Grade

YEARLING | Completed 4th, 5th or 6th Grade

Additionally, MLLC has set aside budget money to cover up to 100% of camp expenses for youth who attend a week at Lutherhill. This will come from donations to the camping fund and other giving. Some of this will also come from the aluminum can fund of Lutheran Men in Mission. That will be at least \$50 of the total available for each youth. We do not want financial difficulties prevent your child attending camp, please contact Pastor David Tinker privately about financial assistance for camp. When you register, make sure Lutherhill knows that some or all of your basic camp cost is to be paid by MLLC.

Confirmation Camp

The congregation also covers the complete cost of one full week of Confirmation Camp at Lutherhill for youth currently in Confirmation Class. The date for this camp will also be July 28-August 2, 2024. If this week does not work for your youth, see the Lutherhill web site for other dates which would work. See any program noting, "Jr. High." Please contact Pastor Tinker with questions.

When you register, make sure Lutherhill knows that all of your basic camp cost is to be paid by MLLC.

SAVE CANCELLED POSTAGE STAMPS for MLLC WELCA

A new resource, **Stamps for the Wounded**, has been found to donate our cancelled postage stamps. Previously, we gave them to Lutheran World Relief, but they no longer have this program.

Stamps for the Wounded serves our wounded and ill servicemen and women who are in- and out-patients at Department of Veterans Affairs hospitals and domiciliaries located across the country. These people have served in the U.S. Military in foreign wars as far back as WWII extending to the most recent actions in the Middle East and in trouble spots all over the world.

These stamps can give bedridden patients, long-term treatment patients, and convalescent patients, a consuming interest. They can sort and mount stamps while in bed. If ambulatory, or even in a wheelchair, they can pass happy hours soaking stamps and mounting them in albums. Even the withdrawn, mentally disabled patient takes pleasure in using more common stamps in organized therapy sessions to make fanciful greeting cards, or to cover decorative boxes.

Please bring your cut out stamps with a ¼ inch edge or your envelopes with stamps to the parlor.

The WELCA thanks you for participating in this ongoing program.
